

LORD, SEND OUT YOUR SPIRIT AND RENEW THE FACE OF THE EARTH! Today, we celebrate the feast of Pentecost and the fact that Jesus kept His word and sent the Holy Spirit to the apostles gathered in prayer. With the power of the Holy Spirit, the apostles were able to begin the mission that Jesus gave them before He ascended into heaven to go out to all the nations and preach the Good

News. This is the same mission that we have all been given by virtue of our baptism when we, too, received the Holy Spirit.

The Holy Spirit empowers us to live the faith we profess by being witnesses to the love of God in the world today. Jesus came to reveal the Father's love for us and He continues that mission through the Church and all that the Church teaches and proclaims. The sacraments that we receive are truly more than just reminders of God's love; they make His love present and real in our lives and in the world. The world has great need of this witness to God's love because there are so many forces at work that do not want us to know that God does love us and is with us always.

It has always been God's plan that we be one with Him. He made us for Himself and so our hearts long to be with Him, whether we realize what that longing is or not. Jesus became one of us to show that it is God's plan that we are to be with Him for all eternity. This is God's plan and His plan is for our happiness, so the more we realize this plan, the more we can allow God into our lives and our hearts.

Let us then rely on the Holy Spirit and open our minds and hearts to this gift of God's Spirit so that we can do all that God asks of us by making Him the center of our lives.

Several weeks ago, we held nominations for Parish Pastoral Council and School Support Council. Unfortunately, we could not get enough people to actually have an election. We were fortunate enough to find five people to accept nomination and so those who so generously accepted the nomination are also elected to Parish Council. It is my pleasure to announce the new members of our Parish Council and School Support Council. New Parish Council Members are: **Bill Bees, Sue Bielawski, Jack Brumbaugh, Mary Ciofani, and Bill Leahy; and for School Support Council: Jean Chesko.** May God bless them in the ministry that they are to undertake. Let us pray that the Holy Spirit will strengthen them and guide them in the ways of Jesus so that they can use the gifts that God has given them for His honor and glory and for the good of our parish community.

I am very grateful to all who serve on Parish Council and the various commissions and committees of our parish community. Without the help and dedication of such good people, our parish community would not be able to carry on the work of the Gospel, at which I think we are doing a pretty good job. My special thanks to those who are completing their term on parish council: **John Baker, Chris Easton, Marian Kauffman, Rich Michney, and Lisa Thompson, and completing his term on School Support Council is Ron Jones.** We should all be very grateful to these individuals and for their willingness to share the gifts God has given them with our parish community. May God bless you and reward you for your good work.

Just a reminder to all of our liturgical ministers, that is, all extraordinary ministers of Holy Communion, Lectors, ushers, musicians, and choir members, we will hold our annual evening of reflection and appreciation dinner on Thursday, May 19, at 6:00 PM, in McMahon Hall. Fr. Lawrence Ober from St. Ignatius High School will speak to us on the Year of the Eucharist in our daily lives and in our ministry. Please make every effort to attend. These yearly evenings of reflection are very important as we strive to grow in our faith and our service to God and our parish community.

MADONNA PLAN The year 2005 is a very significant year for those involved with the Madonna Fund for El Salvador. This is the 25th anniversary of the martyrdom of Archbishop Romero, and our Cleveland team members, Sr. Dorothy Kazel and Jean Donovan in El Salvador, plus the founding of COAR by Fr. Kenneth Myers, another Cleveland team member. Last year's Madonna Fund Collection was very beneficial to the women and children helped by your generosity. Please know that what you give to the Madonna Fund during May this year will bring many blessings upon you as well as on those you help so generously every year.

DURING THE MONTH OF MAY THE ROSARY AND BENEDICTION will be prayed every Wednesday, at 2:00 p.m., in the church. All are welcome!

WHERE ARE YOU GOING? In a world filled with so many choices and opportunities, how do you decide what to do your life? Ever wonder where your life is headed? Looking for meaning and purpose? If you are a single Catholic looking for direction and purpose in your life, join other women and men from across the Diocese of Cleveland for the "Where Are You Going?" Retreat on Saturday, June 18, at the Center for Pastoral Leadership in Wickliffe. "It is Pentecost! Pentecost grips us all; it moves us all, makes us think. In our souls there shines a ray of new brightness, that "light of the heart," which is full of truth and love. This is the feast of the Holy Spirit, the feast of the nascent Church which shall never die; it is the feast of souls set on fire by the divine inward presence. It is the feast of wisdom, the feast of charity, of consolation, of joy, of hope, and of holiness. It is the feast of the beginning of Christian culture and civilization.
 It is **PENTECOST!**"

—Pope Paul VI

SIGN OF THE TIMES Have you noticed that the sign in front of the school has seen its better days? The letters often fall down, especially if a message is put up with more than 3-4 words. The school, together with the parish, is considering purchasing a new two-sided sign that would be perpendicular to the street. Both the church and the school would be able to use the sign to communicate important events/successes to the community. More information will be given to the parish about the endeavor as it unfolds, but we would like to hear your feelings and ideas about what you think would help our parish/school effectively communicate with the people of Wadsworth. We have some creative ways to finance this capital improvement, but are open to hearing any ideas that you have. Please call the school, 334-6272 if you would like to share your thoughts before any decisions are made about the purchase of a new sign!

All of them, united in heart, continued in prayer, with Mary, the mother of Jesus.

GENERATIONS OF FAITH Thank you! Thank you! Thank you! To all of the good people who helped to build this year's Carpenter Shop. We saw how God works through the events of the church year as He is always active in His Church. Stay tuned for next year's episode: "Come and Follow Me", a walk through the Scriptures. Information will unfold throughout the summer as it develops. Please continue to pray for the faith formation of our entire parish.

HEROESCAMP NEWS

- HeroesCamp is coming June 20-24! Registration is downstairs after all Masses. Children four years old [in June] through fifth grade [next fall] can come and walk through the desert with Abraham, climb a tree with Zacchaeus, hear God's call, and fall in love with Jesus, our Hero of Heroes.
- We still need counselors who will give of themselves to our campers. Crafters and games helpers are also needed. Young people from those going into 6th and up can come and help-you are still welcome!
- Music practice is on Tuesday's, at 7:00 p.m., in the school.
- Please pray for HeroesCamp, our parish evangelistic outreach. Each year, young families come back to the faith through this experience. Only God can move hearts. Let us again ask Him to do so. Come Holy Spirit!
