

I am very happy to announce that Dr. Richard Michney, a member of our parish, has begun his studies and formation for the diaconate program for the Diocese of Cleveland. This means that after four years of study and formation Rich will be ordained as a permanent deacon and will serve our parish in that capacity as Deacon Roger does now.

This is truly another blessing for our parish and the result of many prayers offered to God by our parish for vocations to the religious life. Please, continue to pray for Rich, his wife Molly, and their sons Adam and Jacob during this time of preparation and formation. May God bless Rich, his family, and all those who will be preparing for the diaconate, that they may be worthy instruments of God's Word in their future ministry in the Church.

I ask that you also continue to pray for our seminarian, John Mulhollan, as he continues his study for the priesthood. John has begun his second year of Theology at St. Mary Seminary in Wickliffe, Ohio. God willing, John and Rich will be ordained to the priesthood and diaconate respectively in May of 2009.

As we can see, the answer to our prayers, we should be encouraged to pray even more so that more from our parish will also respond to God's call of service to His Church. Let's keep those prayers coming as well as the many hours spent before the Blessed Sacrament in our Chapel of Divine Mercy.

Today is the fourth anniversary of the terrorist attack on the World Trade Center in New York City. September 11, 2001 will be a day that will always be remembered as a day of great sadness and tragedy for so many people. We continue to pray for all those who lost their lives in this senseless act of terrorism as well as for the many other people whose lives were changed forever because of this act of violence. May God give them comfort and peace.

Equally as tragic, is the destruction and death that was caused by hurricane Katrina in Louisiana, Mississippi, and Alabama. We can only imagine what these people are suffering as they have had everything taken away from them and their lives forever changed as a result. As we witness the suffering, we are moved to prayer and a desire to help in any way that we can.

I am sure that many of you have contributed to the aid of these suffering people. For those who have not, we will take up a second collection to aid these people in their struggle to survive and begin their lives over again. If you are not prepared to contribute today, you may do so later. Please make your check out to Catholic Charities USA with "hurricane relief" on the memo line.

We all know that whatever we can do will be greatly appreciated by many people. If you are not able to contribute financially, prayer is always a valuable and important way of helping these people who are suffering so greatly.

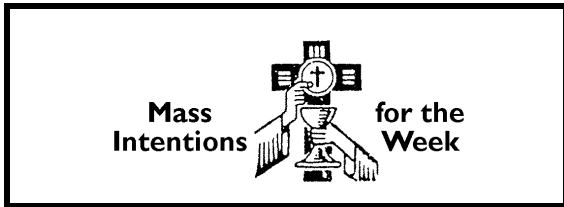

We can never completely understand why these tragedies happen as they do, but we must always remember that God is with us no matter what happens. These tragedies always bring out the best in us, because they prompt us to act with charity and compassion and maybe that is why God ALLOWS them to happen. As long as we stay close to God, we can accomplish good in the face of evil and suffering.

GENERATIONS OF FAITH KICK OFF! Please don't forget about the Julie and Kurt Carrick Concert on Saturday evening, at 7 P.M., in the church. I assure you that this will be a delightful and faith filled evening of song and inspiration. It will be a great way for your family to spend an evening together. There is no charge for admission, just a free will offering.

Due to personal reasons Mark House, our school custodian for the past 8 years, has decided to resign his position. We are very grateful to Mark for his years of work here at Sacred Heart. May God bless him and his family. So we are looking for a new custodian for the church and school. The position pays \$12.00 per hour plus benefits. If you are interested, call me at the parish office. I have interviewed some applicants already, but I just wanted to put this out to see if there were any other interested parishioners.

MARK YOUR CALENDARS! The past two years we have had a polka Mass and dinner dance. This year we will have an **IRISH NIGHT on October 29**. The world-renowned Irish band, *Brigid's Cross*, has accepted our invitation to come to Sacred Heart to play at both the 5 PM Mass and afterwards, to play downstairs in McMahon Hall. We will try to create an "Irish Pub" atmosphere with food, drinks, and music with some sing along opportunities. It will be a fun evening for all! Tickets will go on sale soon so mark your calendars!

THANK YOU! To the anonymous donor to the Jr. Legion of Mary. Your charity in thought and deed was a real example, and a reminder that we will keep before us, that prayer and works may be secret to all, but not to our Father. He feels the effect of your love and support, literally, through His children. Be assured that you are kept in our prayers.

AN INVITATION TO THE JR. LEGION OF MARY We are beginning its fourth year, and would like to invite anyone in home school, public school, or parish day school, grades 3-8, to become a member. John Paul II said, "Children are the hope of the Pope". Being in the Jr. Legion of Mary is a response to the call to be saints and to grow like Jesus did in wisdom, grace, and age. Come to a Jr. Legion of Mary meeting to see what it's all about: Mondays after school, 3:30-4:30, in the Andes Room, or pick up a brochure from the literature rack at the main entrance to the church.
