Attention all Extraordinary Ministers of Holy Communion:

Please note that, according to the new norms handed down from the bishop, the priest or deacon at the Mass will consume the remainder of the Precious Blood. The minister is to stand with the cup until the priest or deacon comes to the table. There will be a parish meeting in October to discuss these changes in further detail. Date and time are yet to be determined. Watch the parish bulletin for details.

Thank you for your service.

Sincerely,

Fr. Joseph Workman  
Parish Administrator
